How It Works

As a Medicare Advantage Preferred Provider Organization (PPO), Highmark's Freedom Blue PPO and Community Blue Medicare PPO plans provide access to a national network of participating providers.

That's because Blue Plans across the country share their Medicare Advantage PPO Networks, so Highmark Freedom Blue PPO and Community Blue Medicare PPO members have the same coverage throughout the U.S. regardless of where they live.

Freedom Blue PPO and Community Blue Medicare PPO members may see any Blue Cross and/or Blue Shield Medicare Advantage PPO contracted doctor or hospital in the United States and receive covered services at the higher, in-network level of reimbursement.

Freedom Blue PPO and Community Blue Medicare PPO members also may choose to see providers outside of our shared Medicare Advantage network. However, if a member chooses to go to a non-participating provider when a participating Blue Cross and/or Blue Shield Medicare Advantage PPO contracted provider is available in that location, covered services will be reimbursed at the lower, out-of-network level.

Areas Without Blue Cross and/or Blue Shield Medicare Advantage PPO Providers

If a Freedom Blue PPO or Community Blue Medicare PPO member lives or travels in a location where there are no participating Blue Cross and/or Blue Shield Medicare Advantage PPO providers, they can go to any Medicare-eligible provider and receive covered services at the higher, in-network level of reimbursement.

Members should confirm that the provider is Medicare-eligible before receiving services. Highmark will not pay for any service received from a provider who has opted out of the Medicare program.

Please note: Emergency and urgently needed care is always reimbursed at the higher, in-network level, regardless of where the care is received.

How Covered Services Are Reimbursed

If a member seeks care in a county	In-Network Doctors/Hospitals	Non-Network Doctors/Hospitals
With a participating Medicare Advantage PPO Network	Full coverage after member pays a small copayment or coinsurance (In-Network Claim)	Out-of-Network cost sharing after member pays an annual deductible (if applicable) (Out-of-Network Claim)
Without a participating Medicare Advantage PPO Network	Full coverage after member pays a small copayment or coinsurance (In-Network Claim)	Full coverage after member pays a small copayment or coinsurance (In-Network Claim)

Medicare Advantage PPO Network Access

The map below shows the Medicare Advantage PPO Network access across the United States. States and counties with a participating Medicare Advantage PPO Network are shown in blue on the map. States and counties without a participating Medicare Advantage PPO Networks are shown in white. Listings of network sharing states and counties are in the back of this brochure.

Find a Network Sharing Provider Online

It's easy to find participating providers through the Blue Cross and Blue Shield Association website by following these instructions:

- 1. Go to www.provider.bcbs.com.
- 2. To search providers that participate with your plan, follow one of the steps outlined below:
- Enter the first three letters of your member ID in the field provided.
- OR
- Under Choose Your Network, click Select a Network and choose Medicare Advantage
 PPO. Then click Select a Plan and choose
 Pennsylvania, Highmark Blue Cross Blue Shield.
- 3. Enter search criteria for provider, such as name, specialty or condition.
- 4. Under **Location**, choose a mile radius and enter the search criteria for location (city+state or zip code).
- 5. Click **Go** to find participating Freedom Blue PPO or Community Blue Medicare PPO providers.

Members also can call Customer Service for assistance with finding a participating provider in their location. Please refer to the number on the back of the member ID card.

How Claims Are Processed

A suitcase symbol with a Medicare Advantage designation will appear on your ID card. Medicareeligible members, simply present your ID card when you receive care, and the provider submits the claim to the local Blue Plan. The local plan partners with Highmark to coordinate your benefits and ensure prompt and accurate claims payment.

Medicare Network Sharing

	Contracted providers or non-contracted providers in an area without a Medicare Advantage Network
Out-of-Network	Non-contracted providers

Please note: Emergency and urgently needed care is always reimbursed at the higher, in-network level, regardless of where the care is received.

In-Network Claim Processing: Example 1

Participating Blue Cross and/or Blue Shield Medicare Advantage PPO provider's charge for eligible services	\$150
Negotiated local Blue Cross and/or Blue Shield Plan contracted rate	\$130
Member pays 0%* of negotiated local Blue Cross and/or Blue Shield Plan contracted rate	\$0
Freedom Blue PPO or Community Blue Medicare PPO pays remaining amount up to negotiated local Blue Cross and/or Blue Shield Plan contracted rate	\$130

^{*} A member may pay more depending on the specific plan's network cost-sharing benefit design.

For covered services that require a member to pay coinsurance, the coinsurance amount will be based on either:

- The Medicare allowable amount for the covered services, or
- The amount Freedom Blue PPO or Community Blue Medicare PPO or the local Blue Cross and/or Blue Shield Medicare Advantage Plan negotiated with the provider. This amount may be different than the Medicare allowable amount.

The following examples illustrate how non-network claims are processed.

The member's responsibility for the cost of care received depends on whether or not the non-network provider accepts the Medicareapproved amount as payment in full.

A provider who does not accept the Medicareapproved amount, or assignment, is permitted to receive up to 115 percent of the Medicare-approved amount (called the "limiting charge"). The difference between what the plan pays and the amount that provider is eligible to receive as the limiting charge may be billed to the member. (This is referred to as balance billing.)
